

Aliens and the Unexplained

Bizarre, strange and mysterious phenomena of our galaxy

Are we really alone in the universe? It's a question that's been debated for decades, but UFO sightings continue to occur all over the world. For those with an interest in the unexplained, a new book provides answers.

In *Aliens and the Unexplained* (Rockpool Publishing, \$24.99) best-selling author and expert in Metaphysics, Rose Inserra, explores the fascinating universe of UFOs, aliens and strange phenomena. The book covers popular questions such as:

- Are we really alone?
- Did our ancestors have connections to galactic visitors?
- Do we all have alien DNA?
- What really happened at Roswell and why is Area 51 still controversial?
- Why do ships and planes disappear in the Bermuda Triangle?
- Why are famous ancient sites built on ley lines and how do they connect to extra-terrestrials?

From alien abductions and conspiracy theories to crop circles and time-travel quantum physics, *Aliens and the Unexplained* will challenge, excite and leave you wanting more.
