

Astrology Secrets of the Moon

Discover your true life path and purpose

In *Astrology Secrets of the Moon* (Rockpool Publishing \$27.99), renowned astrologer Patsy Bennett provides a detailed guide to understanding the moon's north node signs. We are all familiar with our sun signs, but when used in conjunction, the moon's north nodes can provide a detailed picture of what can truly make you happy, explaining clearly what will lead you to a more productive and satisfying life.

Each north node description has a list of approaches, talents, interests, challenges and potential pitfalls that define each of us, as well as an affirmation to help you focus on your own special attributes. Based on your unique astrological makeup you will also discover your most successful career paths, your most rewarding activities and the most fulfilling approaches to life that you can take.

Astrology Secrets of the Moon is a must-have guide for those looking for a greater understanding of yourself and those around you.

About the Author

Patsy Bennett has been an astrologer for 20 years and runs workshops on astrology at the renowned Crystal Castle in the Byron Bay hinterland. Her daily, weekly, monthly, quarterly and yearly horoscopes are published in newspapers and magazines throughout Australia, principally by APN News & Media Ltd. Patsy studied astrology at the Faculty of Astrological Studies in London in the 1990s and, in 1998, relocated to Australia, where she worked as a reporter for local newspapers in the Northern NSW area and continued her practise as an astrologer. She is a member of the Queensland Federation of Astrologers and the International Psychics Association. Visit www.patsybennett.com
