## Australian Wildflower Reading Cards

*Australian Wildflower Reading Cards* consist of 44 cards and a guidebook that provides guidance through native Australian Wildflower imagery and oracle teachings. The artwork is uniquely created by Cheralyn Darcey on linocut with traditional gouache paints.

The guidebook features unique flower spreads for readings and a special card of the day instructions that will delight those that love beautiful oracle tools and traditional artwork.

This card set is alive and its messages clear, healing and joyful.
